Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren’t necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Russia Modern Architectures In History
Russian architecture follows a tradition whose roots lie in early Russian wooden architecture and in the architecture of Kievan Rus’ with its centers in Veliky Novgorod and Kiev. Russian architecture was also influenced by the Byzantine Empire. While Russian or Rus’ architecture and culture was in many cases inspired by Byzantine architecture, the influence was not limited. A large part of Russian architecture developed independently and was characterized by national and local features. After th
